

Roe Buck Hunting in **Poland**

Exclusive 1:1 stalking hunts for strong roe bucks in the finest hunting grounds of southern and south-western Poland.

ROE BUCK HUNTING IN POLAND

Stalking hunts with a personal guide.

Experience exciting hunting days in diverse grounds between forest and field. Personal 1:1 guidance, experienced local guides and outstanding roe buck populations make every hunt a special experience.

WHY — THE HUNTING HUB?

01

Large hunting areas

Up to 25,000 ha of leased grounds — space to hunt selectively and quietly.

02

Strong buck populations

Healthy, carefully managed stocks with an excellent age structure.

03

Focus on stalking

Intense, sporty and close to nature — the way roe buck hunting should be.

04

Experienced guides

Local hunters who know every field, edge and crossing in their ground.

05

Personal 1:1 support

One guide, one hunter — on every single outing.

06

Stay inside the ground

Accommodation directly in the hunting area, minutes from your stalk.

07

For experienced and young hunters alike

Whether it is your first buck or your fiftieth — the pace, the ground and the guiding are adapted to you.

STALKING IN UNIQUE NATURE

Forest, meadow and farmland.

Our hunting grounds in southern and south-western Poland offer ideal conditions for demanding roe buck hunting. Diverse biotopes of forest, meadow and farmland ensure healthy game populations and strong trophies. Stalking hunts in particular make this experience intense, exciting, sporty and close to nature.

Trophy weights

- Usually 300–400 g gross
- Medal-class bucks over 500 g gross very possible

Billing is based on the official net trophy weight.

ACCOMMODATION IN THE HUNTING AREA

Short distances, long evenings.

You stay directly within the hunting grounds and reach the stalking spots within just a few minutes. Comfortable accommodation, short distances and relaxed evenings after the hunt ensure a pleasant stay — full board included, from breakfast before first light to dinner once the rifles are back in the case.

A TYPICAL HUNTING DAY

Early morning	Morning stalk. Out with your guide before first light, when the bucks are still moving in the fields.
Mid-morning	Breakfast back at the accommodation, trophies cared for, plans made for the evening.
Midday	Lunch and rest. Time to sleep, sight in, or look over the maps of the ground.
Late afternoon	Evening stalk. The main outing of the day — stalking the field edges until last light.
Evening	Dinner together. The hunt is retold, the trophy pre-prepared, the next morning agreed.

6 stalking outings

Included in every package: two outings per hunting day, always with 1:1 guidance.

Trophy pre-preparation

Your trophy is boiled out and prepared on site, ready to travel.

Hunting licence

Licence and hunting organisation are arranged by us before you arrive.
